WPMS BANDS PRACTICE RECORD

Advanced Symphonic Band
Week of October 9th - October 15th, 2023
*** Due Monday, October 16th ***

WHAT – Do I Practice This Week?

- Practice a good tone on Concert F and Concert Bb. Continue to practice #18-#39 in Essential Elements Book focusing on tone a FULL NOTE LENGTH. Practice Concert F, Bb, and Eb Major Scales on Scale Sheet. Begin working on Concert Ab Major Scale. Begin working on Eb Chromatic Scale (This is the Chromatic Scale on your scale sheet).
- Practice measures 17-36 in "Psalm 42." Notes and Rhythms for this should be learned by now. Playing tests will occur on these parts, as needed.
- Notes and Rhythms for ALL of Dreidle Adventure should now be learned. Begin checking note lengths and marking areas where you need help.
- Make sure "Ancient Voices" is numbered and marked. You may begin learning notes and Rhythms. Flutes checkout recorders.
- Don't forget sectionals - 3:45-4:45. Brass Monday, Woodwinds Tuesday. No percussion Wed due to half day.

WHY – Am I Practicing This?

- We are continuing to refresh and improve existing skills, and expand with new skills. This is a good approach to any learned activity, to ensure success.
- Sectionals show us how to work and listen together in small groups (section) that are part of a larger organization (symphonic band). This is crucial for band, but also a common practice in many professional, community, and social settings. An ability to reliably attend, participate, and contribute in this way will translate to other areas of life.

HOW – Will I Know I Can Demonstrate These Skills?

- Mr. Bellon will assess and give feedback on how to improve in class. You will also be able to self-assess by using critical listening skills.
- Attending sectionals, on-time, with required equipment, and actively working to be better during that time is demonstrating the skills of effort and reliability.

Write the number of minutes you practiced each day in the box below. Please practice AT LEAST 20 minutes each night, with a maximum of 2 days off each week. **Band is a physical skill and, much like strength training, we are developing muscles (they are just small muscles!). Frequency is key. Goal is a minimum of 100 minutes of practice per week, with each practice record being a total of 100 points (each minute = 1 point)**
